A Conversation and Book Signing with Dan Slater, Author of The Incorruptibles

Tuesday, November 18

3:30 pm – 5:30 pm | Philips Autograph Library

Join us for an exclusive public lecture and book signing by author Dan Slater as he relates the incredible history of organized crime, Jewish immigrants and vigilantes in 1920s New York. Called “mesmerizing” and “exuberant,” *The Incorruptibles* is a fast-paced book recounting the story of Eastern European-Jewish mobsters such as Arnold Rothstein (who notoriously fixed the World Series), and the German-Jewish immigrants in NY who formed a vigilante group to stop them. They were worried not only about crime in their community, but of how these notorious gangsters would bolster the anti-immigration lobby of the 1920s. Their efforts, however, led to unforeseen consequences in the form of a new mobster class who realized, in the country’s burgeoning reform efforts, unprecedented opportunities to amass power. After Dan Slater’s lecture and book signing in Philips Autograph Library—filled with never-before-seen photographs—a reception and tour will be held in the Museum of Anthropology and Archaeology (Old Library). Co-Sponsored by the Ethnic Studies Institute and the Anthropology Club. For more information, contact museum@wcupa.edu, 610-436-2247
