

Summer 2026 Undergraduate Research Institute (SURI)

What is it?

- **Summer I Session (5/26/26 to 6/26/26)**
- Under the supervision of a **faculty mentor**, conduct a research project or creative activity (check out the [RAM Research Directory](#) for help finding a mentor)
- Spend **37.5 hours per week** on your project and receive a **\$2,500 stipend**

More Than Research!

- **Connect** with students outside of your college
- Engage in weekly **social events**, including art, food, and competitive-based activities
- Figure out your **next steps!** Tips for conferences, interviews, and graduate school
