

Resume Assignment Instructions for STUDENTS

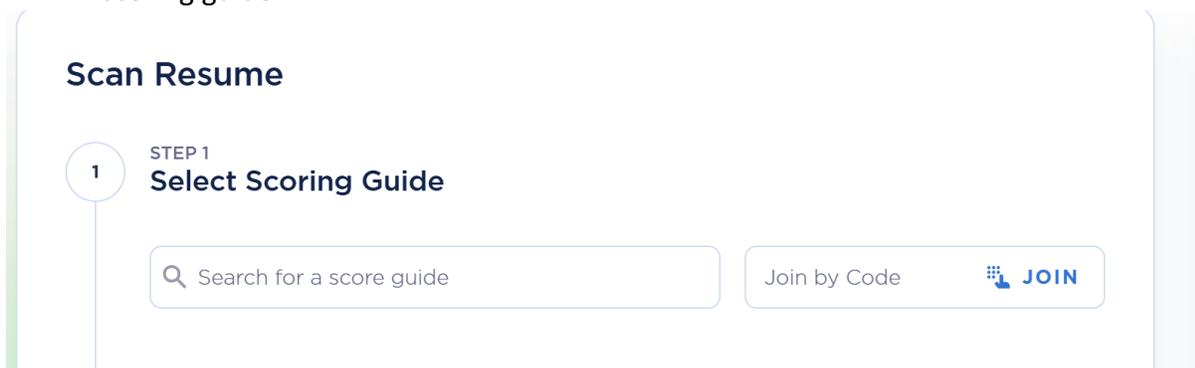

Video instructions are also available by [clicking here](#).

Login:

- Students access their account on Big Interview: wcupa.biginterview.com
- Select Login to be directed to WCU single sign on
- Toggle to ResumeAI by selecting the top left square menu button and clicking ResumeAI

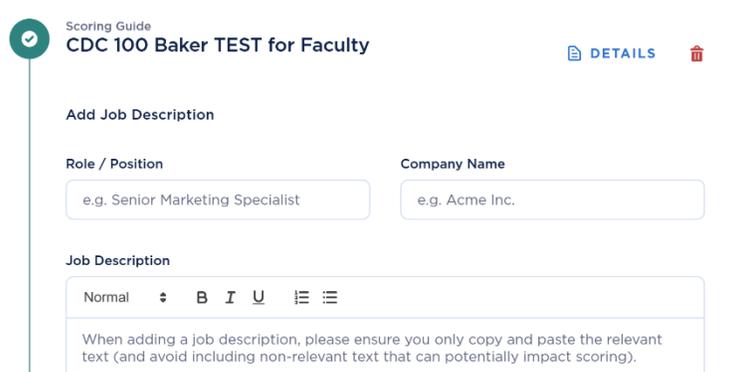

1. Select Scan > ResumeAI > Scan My resume.
 - a. In Step 1 you can **enter the code provided to you by your faculty member**. Do NOT select a scoring guide.

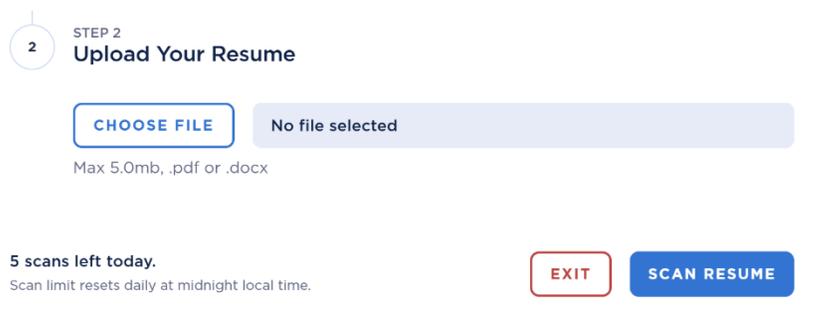

Special Instructions:

Your professor may require that you upload a job description for your assignment. If so, choose a job that matches your career interests. If you are unsure where to find a job posting, check out Handshake: <https://app.joinhandshake.com/stu/postings>

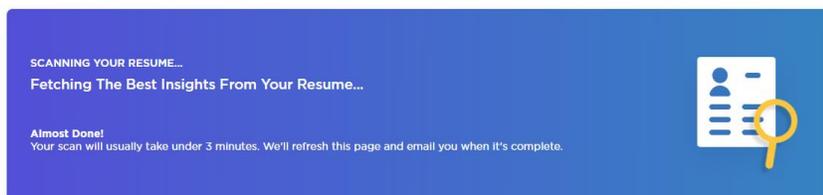

The screenshot shows a web form titled "Scoring Guide CDC 100 Baker TEST for Faculty". It includes a "DETAILS" link and a trash icon. The form has three main sections: "Add Job Description", "Role / Position" and "Company Name" input fields, and a "Job Description" text area with a rich text editor. The text area contains a note: "When adding a job description, please ensure you only copy and paste the relevant text (and avoid including non-relevant text that can potentially impact scoring)."

2. Scroll down to upload your resume. Once ready, click SCAN RESUME

The screenshot shows "STEP 2 Upload Your Resume". It features a "CHOOSE FILE" button and a "No file selected" status bar. Below the status bar, it specifies "Max 5.0mb, .pdf or .docx". At the bottom, there is a counter: "5 scans left today. Scan limit resets daily at midnight local time." and two buttons: "EXIT" and "SCAN RESUME".

3. It will take 2-3 minutes for your resume to scan. You can watch the progress online. You will also receive an email when it is completed. You can scan up to 5 resumes per day.

Feedback:

- Resumes are given a gold, silver, or bronze medal. Click the View Feedback button for detailed information about your resume and any improvements or suggestions from the platform.
- If changes are suggested, then you can make those changes to your original document on your device and upload another version of your resume, following these same steps.
- Feedback will include information on Readability, Credibility, and Format. If you uploaded a job description, you would also have feedback on ATS Fit. We recommend that you read through the feedback and make some improvements. All resumes will be given feedback. If you make the changes suggested, then you will improve your score with the next upload.
- Click on View Detailed Feedback to see all of the details and suggestions.

S Silver Resume [VIEW DETAILED FEEDBACK](#)

G
