## 1. Log in to D2L and open module.

Go to [D2L.wcupa.edu](https://d2l.wcupa.edu). On your D2L homepage, click "University Resources" then "Discover." In Discover, search for "Wellness Promotion" and enroll in the course. You will then have access to all WP modules.

## 2. Fully complete the module.

Read your outcome letter from your hearing officer/Office of Student Conduct carefully to determine which module you need to complete. You were assigned to complete either Decisions About Drinking, Choices About Cannabis, Shift Happens, or Any Ram Can. Select the module and fully read through, watch videos, and complete activities.

## 3. Pass the post-assessment and earn your badge.

At the end of the module, click the link to take the post-assessment. You need 100% to pass the module. You can take the post-assessment as many times as needed to pass.

You did it!

Thank you for participating in the Any Ram Can module from Wellness Promotion. If you have any lingering questions, please contact us at [wellness@wcupa.edu](mailto:wellness@wcupa.edu) or 610-436-0730.
