- CRL103 ___ (Chem. Lab)*
- PSY100 ___ (Gen. Psychology)

^ Two physical sciences courses are mandated for graduate school. PSY 100 is a pre-rec to many upper level PSY courses that COM. DIS. majors would find of interest.

* As of 2014 many graduate program will mandate PHY and CHE

DIRECTED ELECTIVES

Take enough directed electives to complete 120 credits. Students should consider obtaining a Minor in: foreign language (especially Spanish) or Literacy. Additional courses in ESL (English as Second Language courses) and Statistics also valued. The actual number of electives required will vary depending upon (among other things) the option to complete a minor(s) and the number of courses the student must take to complete the foreign language requirement.
