Standards

Council for the Accreditation of Educator Preparation (CAEP)

Evidence of the following CAEP 2022 Advanced-Level Standard(s):

RA4.2 Satisfaction of Completers: The provider demonstrates that program completers perceive their preparation as relevant to the responsibilities they confront on the job, and their preparation was effective.

RA5.1 Quality Assurance System: The provider has developed, implemented, and modified, as needed, a functioning quality assurance system that ensures a sustainable process to document operational effectiveness. This system documents how data enter the system, how data are reported and used in decision making, and how the outcomes of those decisions inform programmatic improvement.

RA5.2 Data Quality: This provider's quality assurance system from RA5.1 relies on relevant, verifiable, representative, cumulative, and actionable measures to ensure interpretations of data are valid and consistent.

Survey Instructions

The following are the survey instructions used to inform respondents of the survey's purpose and how to submit a survey response.

Alumni Survey for Advanced Educator Preparation Programs

West Chester University Professional Education Unit's mission is to support the integration of teaching, scholarship, and service in meaningful ways. The Professional Education Unit surveys recent graduates and program completers as one of the most important components of the continuing evaluation of our Advanced Preparation Programs for specialized educational professionals. The purpose of this survey is to obtain valuable insight on how you perceive the Professional Education Unit prepared you to work in your field of specialization. We value your feedback and will use the results to make program refinements. The survey should take approximately 10-15 minutes to complete. We thank you in advance for taking time to complete the survey.
